

Opening an Account

Online with Aadhaar eKYC, or on paper at a branch.

Two routes lead to the same account. Online takes about 15 minutes and needs your Aadhaar-linked mobile number; the paper route can be completed at any of our Bhopal branches.

Route 1 — Online, with eKYC

Start at <https://kml-backoffice.kalpatarumulti.com/ekyc/ekycaccountopening>

- 1 Open the eKYC account opening portal and enter your PAN and mobile number.
- 2 Verify the one-time password sent to your mobile number and email ID.
- 3 Complete Aadhaar-based eKYC and the in-person verification over video.
- 4 Enter your bank details and upload a cancelled cheque or bank statement, along with your signature.
- 5 Nominate — add a nominee, or record the opt-out declaration. One of the two is mandatory.
- 6 E-sign the account opening form using the Aadhaar OTP.
- 7 Your Unique Client Code and demat account are activated, usually within one working day.

Route 2 — Paper form at a branch

- 1 Download and print the account opening and KYC forms, or collect a set from any branch.
- 2 Fill the KYC form in your own handwriting, strike off every blank, and never sign an incomplete form.
- 3 Attach self-attested copies of your PAN, Aadhaar or other address proof, a cancelled cheque or bank statement, and passport-size photographs.
- 4 Complete in-person verification with our authorised official, who signs and stamps the IPV on the form.
- 5 Submit the set along with the nomination form (SH-13) or the signed opt-out declaration.
- 6 We upload your Unique Client Code to the exchange and hand you a copy of the completed documents within 7 days.

KEEP READY

- PAN card
- Aadhaar, with your mobile number linked to it
- A cancelled cheque or bank statement
- A specimen signature on plain paper
- Nominee's name, date of birth and share — or the opt-out declaration

WHO TO ASK

Mr. Vinod Singh

General Manager, Back Office
