

Raising a Ticket

Get a complaint, query or suggestion to the right desk.

Every request raised through the website reaches the customer-care desk with a reference against it, so it can be traced. Use this route rather than an individual's mobile number — a ticket is recorded, a phone call is not.

Raising it on the website

Go to kalpatarumulti.com/customer-care and use the Raise a Ticket form

- 1 Fill in your full name, email ID and contact number. All three are required — we reply on the email and call on the number.
- 2 Enter your client code if you have one. It is optional, but it lets us trace the account immediately instead of asking you for it.
- 3 Choose the subject that matches your query: Trading, Demat / DP, Back office & statements, Mutual fund, Technical / login, Complaint, Feedback or Other.
- 4 Describe what happened, including dates, order numbers or scrip names where they apply. The more specific it is, the fewer times we have to come back to you.
- 5 Submit. The request is recorded and sent to the customer-care desk, and a copy goes to the support desk.

Raising it in the Back Office

Sign in at <https://kml-backoffice.kalpatarumulti.com/Account/Login>

- 1 Sign in with your client ID and password.
- 2 Open the ticket or query section and choose the category of the issue.
- 3 Describe the issue and attach a screenshot or statement where it helps.
- 4 Submit, and note the ticket number the system returns — quote it in any follow-up.

If it is not resolved

- 1 Write to complaint@kalpatarumulti.com quoting your ticket number.
- 2 If still unresolved, escalate through the Escalation Matrix published at kalpatarumulti.com/customer-care — customer care, then Compliance Officer, then the Chief Executive Officer.

- 3 Beyond that, you may lodge a complaint on SEBI SCORES at scores.sebi.gov.in, with the exchange investor grievance cell, or through SMART ODR at smartodr.in. Quote your Complaint Reference Number so they can trace what has already been done.

KEEP READY

- Your client code, if you have one
- The date and details of what happened
- Any order number, scrip name or statement that relates to it

WHO TO ASK

Mr. Javed Khan

IT Manager

0755-4350141

info@kalpatarumulti.com

HOW LONG IT TAKES

Complaints are redressed within 30 days of receipt, as required by SEBI.

Kalpataru Multiplier Ltd · Hall No. 2, 1st Floor Western Block, Above Central Bank, GTB Complex, T. T. Nagar, Bhopal 462003 · kalpatarumulti.com
